Cumilla CCN University  
2020 - 20223

### Full Stack web Development Course

Sorobindu Institute  
2022-2023

# MD Shajibul Islama

## Full Stack Developer with MERN

I am a dedicated MERN stack developer currently pursuing a BSc in Computer Science at CCN University. Passionate about leveraging the latest technologies, I have successfully completed projects that showcase my proficiency in MERN and Next.js. With a strong foundation in web development and a commitment to continuous learning, I am actively seeking a Job opportunity to contribute my skills to a dynamic team.

## MY PROJECT

### 1. Social Media website [Live](#) [Github](#) [Video](#)

**About :** This is a Social Media Full Stack MERN || Next js13 project.
